How To Use Your Seller Dashboard

The screenshot shows the Poppin Popcorn Seller Dashboard for a user named Chad. The dashboard includes a navigation menu with options like HOME, HOW IT WORKS, REGISTER, LOGIN, SHOP, POPCORN, FAQ, RESOURCES, and VIDEOS. Below the navigation, there are buttons for HOME, Setup a NEW Fundraiser, My Account, and Logout. The main content area displays a welcome message, "Welcome back, Chad!", and a section for the current fundraiser, "INDIVIDUAL - CHAD ALLEN". This section includes a profile picture, group ID (EDLEKH), sale dates (05/16 - 06/06), sales amount (\$0.00), units sold, and the number of sellers (1). It also shows the online sales goal (\$300) and a progress bar indicating 0% completion. A table below the progress bar shows the goal breakdown: 0% To Goal, \$0.00 Purchased, and \$300.00 to Go. There is a field to update the fundraising goal to \$300.00 and an "Update Goal" button. At the bottom, there are buttons for Edit Group, Edit Fundraiser, Invite Customers, Reports, and Videos. Red callout lines point to various features: "Setup NEW fundraisers" points to the "Setup a NEW Fundraiser" button; "Upload your picture/logo" points to the profile picture; "How To" video tutorials points to the "Videos" button; "Monitor progress of sale" points to the progress bar; "Update fundraising goal" points to the "Update Goal" button; and "Invite customers by emailing, sharing on Facebook and sending texts from your smartphone." points to the "Invite Customers" button.
